

Cal OES Daily Situation Report

November 3, 2018

Lodi's Sandhill Crane Festival will be held through 11/04/18 at the Hutchins Street Square in Lodi. For 22 years, the festival has celebrated the return of the cranes. There will be nature tours, art shows, food, workshops, presentations, live animal shows, music, children's activities, vendors, displays, and the Crane-ium.

Preparedness Level 1	Preparedness Level 2	Preparedness Level 2
	Multi-Agency Coordination System MACS Mode: 2	Multi-Agency Coordination System MACS Mode: 2

Please note: The National and Regional Preparedness Levels are maintained by the National Multi-Agency Coordination (MAC) Group and are separate from Cal OES activation levels.

Preposition of Cal OES and Local Government Resources for Red Flag Warning Event

Cal OES Fire and Rescue staff are coordinating with local Operational Areas (counties) to preposition fire apparatus and personnel to augment local resources in preparation for the current Red Flag fire weather event. The following resources have been requested by the local Operational Areas and approved via the California State Mutual Aid Pre-Incident Preparedness Guidelines. Staffing will begin 11/02/18 at 2000 hours, and will be evaluated every 12 hours and extended as necessary until conclusion of the weather event/need.

- Sonoma County: 1 Strike Team of Local Government Engines from Sonoma County Fire Departments (5 Type 3 Engines), 1 OES Water Tender and 1 Communications Dispatcher. Units will be staged in the Santa Rosa Area. (Start time 11/02/18 at 2000 hours until 11/03/18 at 2000 hours)
- Marin County: 1 Strike Team of Local Government Engines from Marin County Fire Departments (5 Type 3 Engines), 1 Water Tender and 1 Communications Dispatcher. Units will be staged in the central Marin area along the 101 freeway corridor. (Start time 11/02/18 at 2000 hours until 11/03/18 at 2000 hours)
- Napa County: 1 Strike Team of Local Government Engines from Napa County Fire Departments (5 Type 3 Engines). Units will be staged in the central Napa area. (Start time 11/02/18 at 2000 hours until 11/03/18 at 2000 hours)
- Contra Costa County: 1 Task Force of Local Government Engines from Contra Costa Fire Departments (3 – Type 3 Engines and 2 – Type 2 Water Tenders). Units will be staged in the Central County Area (Start time 11/03/18 at 0800 hours until 11/04/18 at 0800 hours).

WEATHER OF CONCERN

Weather of Concern

Northern California

- Critical to near critical fire weather conditions will continue as low humidity and gusty offshore flow persist. Winds will gradually weaken Saturday night, but relative humidity will remain poor, especially above 1,000 feet. Fire weather conditions will gradually improve Sunday and into next week, but above normal temperatures and dry conditions will linger.
 - Red Flag Warning is in effect until Sunday morning.
 - North to northeast winds 10 to 20 with gusts to 30 mph.
 - Poor overnight recovery of 30 to 45 percent this morning and 20 to 35 percent on tonight. Minimum humidities 7 to 17 percent today.
 - Any fires that develop will likely spread rapidly.

Active Weather Warnings, Watches and Advisories by County:

- <http://www.wrh.noaa.gov/hazardSummary/?state=ca&bycounty=1>

Key Points

11/03/18 - 11/09/18

Saturday-Sunday

- Moderate to locally strong offshore flow (Winds from the Northeast) across the Inland and southern Coastal Regions continuing through early Sunday
 - Areas of critical fire weather conditions
 - Strongest winds expected early Saturday
- Brief periods of elevated fire weather conditions also possible Saturday in the Lower Colorado River Valley western portions of the Southern Region

NWS Hazards & Warnings

Updated: Sat Nov 3, 2018 6:45 AM MDT

Red Flag Warnings til early
Sunday morning

Monday - Friday

- Potential continues for periods of elevated fire weather conditions due to off-shore winds across areas of Coastal and Inland regions through next week
- Weak to moderate Santa Ana Wind event possible in Southern Region Thu-Fri

WEATHER SYNOPSIS BY REGION

NORTHERN CALIFORNIA

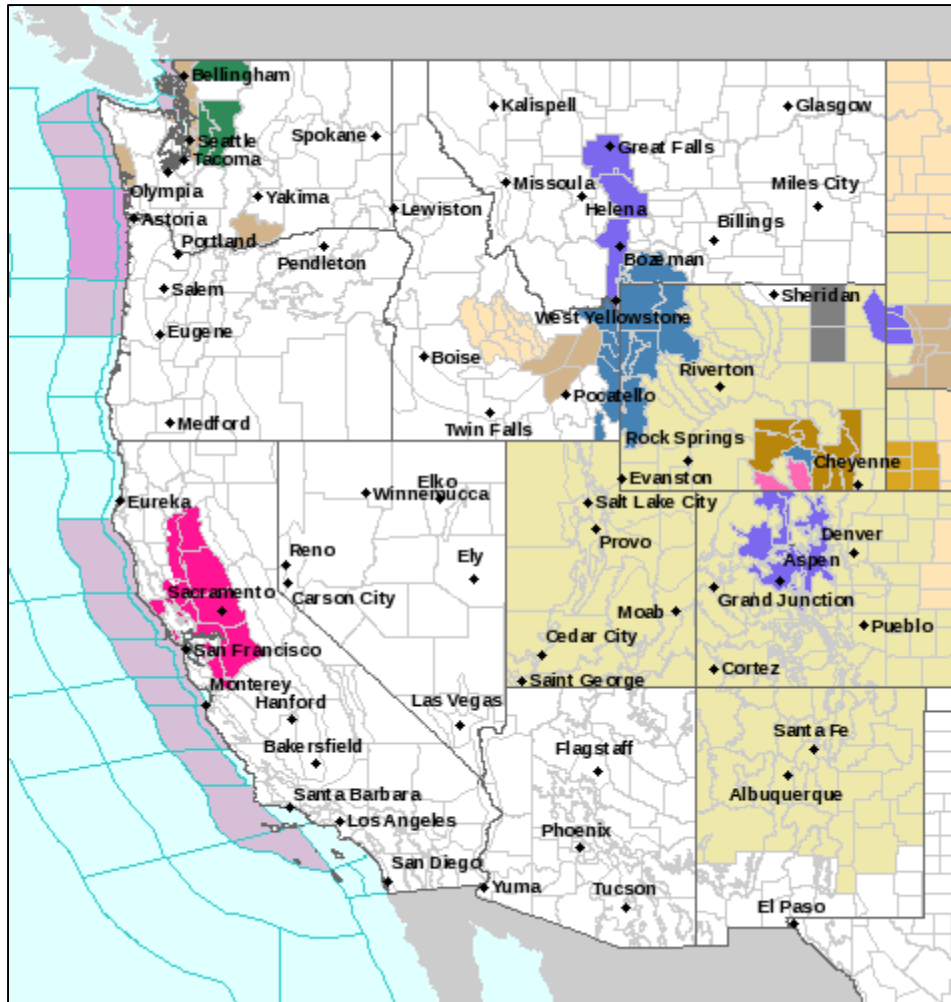

- High Risk Today west slopes of Cascade-Sierra Range, Sacramento Valley-Foothills, Diablo-Santa Cruz Mtns and southern portions of Mid Coast to Mendocino due to Strong Wind and Low Relative Humidity (RH)
- High Risk Sunday Far Eastside due to Strong Wind and marginally Low RH
- High pressure will remain the dominant weather feature next 7 days with a few minor weather systems occasionally weakening the high as they pass by to the north and east.
- N-NE winds today (gusts 25-35 mph, locally higher) favoring Sacramento Valley-Foothills, higher ridgelines southern portions of Mid Coast to Mendocino and west slopes of the Cascade-Sierra Ranges with peak readings this morning.
- Wind shift Sunday with strengthening W-SW wind (gusts 30-40 mph) favoring the higher ridgelines areawide but especially favoring the far east and northeast and accompanied with marginally low RH (17-25%) near the NV state line.
- Developing moderate N-NW wind flow (gusts 20-25 mph) favoring the higher ridges found within the Coast Range and Sacramento Valley Sunday night into Monday.
- Another stronger N-NE wind scenario possible middle of the week (Wed-Thu) and could warrant a High Risk.
- Humidity will fluctuate quite a bit during the next several days although low readings will be observed today-tonight with additional periods of low RH upcoming week.
- Temperatures will generally be 5-12 degrees above seasonal normals most areas the next 7 days although some cooling far N and E due to weak cold frontal passages.
- No precipitation is expected next 7 days.

SOUTHERN CALIFORNIA

- A strong ridge of high pressure off the California Coast will weaken Monday through Wednesday and then strengthen a little late next week.
- North winds of 15 to 25 mph with gusts to 40 mph will surface across much of Santa Barbara County and the Grapevine this morning.
- Maximum temperatures will remain around 10 degrees above normal through this weekend, with 60s to low 70s across the mountains and upper 70s and 80s in the valleys.
- There will be westerly winds of 20 to 30 mph with gusts to 50 mph across the desert passes Sunday afternoon through Sunday night.
- Temperatures will cool starting Monday and will be near normal Tuesday and Wednesday.
- Minimum humidity will be mainly between 12% and 25% away from the coastal areas through this weekend and then increase to 15% to 30% Monday through Wednesday.
- Temperatures will warm a few degrees and minimum humidity will drop into the single digits and teens late next week.
- Northeast winds of 15 to 25 mph with gusts to 40 mph will surface across the mountains and below the canyons and passes of Southern California Thursday morning.

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Cal OES LAW ENFORCEMENT MISSIONS

Closed Cal OES Law Missions

- **2018-LAW-52703, 11/2/18, 2130 hours:** CAP reported an ongoing ELT mission that originated in the State of Oregon. An Oregon CAP unit was tracking an ELT report between Portland and Medford. With the approval of the California CAP command, the Oregon CAP unit entered the State of California and tracked the ELT to an area between Red Bluff and Redding. California CAP initiated a ground team. At approximately 0100 hours, the ground team located a downed and wrecked aircraft in the area just outside of Lake California Airpark near Cottonwood, CA. Further investigation revealed the aircraft crashed on Tuesday, October 30th, 2018, at around 0930 hours. The pilot sustained minor injuries. Shasta Sheriff, Cal-Fire, and the FAA responded, and are engaged in the investigation. ELT deactivated by CAP. **Mission Closed.**
- **2018-LAW-52692, 11/2/18, 1342 hours:** IERCC reported an inReach activation at 34.283277, -117.746916, which plotted to San Gabriel River area of Los Angeles County, near Devil Gulch. A message from the device indicated the registered owner was uninjured, but was stuck on a mountain and required assistance. LA Sheriff's Office was notified and deployed the San Dimas Mountain Rescue Team. The registered owner and her boyfriend were located uninjured, and were transported to their parked vehicle. **Mission Closed.**

Ongoing Cal OES Law Missions

- **2018-LAW-52710, 11/03/18, 0830 hours:** The Ventura County Behavioral Health Agency experienced an immediate need to temporarily house 41 special needs clients due to the contamination at one of their facilities. The County of Ventura requested to utilize the Ventura CNG Armory for shelter for a period of 7 days. The California Department of Social Services, California Department of Public Health, CNG, Cal OES, Ventura County Public Health, OES, and EMSA, collaborated to assess and determine appropriate facilities to meet the needs of the clients. After doing so, and exhausting multiple alternatives, the Ventura CNG Armory was deemed suitable. Cal OES Law Branch, in consultation and concurrence with the California Military Department, approved the use of the Ventura CNG armory for a period of 7 days. **Mission Ongoing.**
- **2018-LAW-52680, 11/2/18, 1150 hours:** Yolo County reported a cyber-attack against a county server affecting public safety and requested assistance from the Cal OES Law Enforcement Branch/Cyber-Security Integration Center (LEB/CSIC). A cyber-security incident response team was deployed to Yolo County to mitigate the attack and assist in restoring service. **Mission Ongoing.**
- **2018-LAW-52670, 11/01/18, 2350 hours:** San Mateo County Sheriff's Office requested two tracking canine teams and two area search canine teams to assist in locating a 56 year old voluntary missing male in the Portola Valley area. Search mission scheduled for 0630 hours, 11/02/18. **Mission Ongoing.**
- **2018-LAW-52654, 11/01/18, 1500 hours:** Mono County Sheriff's Office requested four Human Remains Detection (HRD) canine teams to assist in locating a 16 year old female who has been missing for approximately three weeks in the Bishop area. Search mission scheduled for 11/03/18-11/04/18. **Mission Ongoing.**
- **2018-LAW-52648, 10/31/18, 1755 hours:** Placer County Sheriff's Office (PCSO) requested the assistance of Nevada County Sheriff's Office (NCSO) HRD K9 team to search for a missing female that was last seen 09/01/18. PCSO coordinated directly with NCSO for a search on 11/02/18. **Mission Ongoing.**

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions (Continued)

- **2018-LAW-52589, 10/28/18, 1800 hours:** Alpine County Sheriff's Office (ACSO) requested an incident support team and 20 Type-2 ground searchers to assist in searching for a missing 55 year old solo hiker in the Carson Pass Summit area. The requested resources were to meet for a 0700 hour briefing on 10/29/18, at the ICP near Lower Blue Lake. Eldorado County Sheriff's Office (EDSO) has accepted the mission and will fulfill ACSO's SAR Mutual Aid request. **Update:** 10/29/18, 0825 hours, ACSO requested a CNG hoist capable helicopter, 25 Nanos and technician for a 3 day deployment with an immediate response. CNG accepted the mission and deployed. At 1032 hours, ACSO requested Cal OES Telecommunication MIGU-4 and a cache of hand held programmable radios for an immediate response. The Cal OES Law Enforcement Duty Officer (LDO) coordinated with the Cal OES Tactical Communications Duty Officer (TDO) and deployed the requested resources to the ICP. **Update:** 10/29/18, 1432 hours, ACSO requested 25 Type-1 and Type-2 SAR ground searchers, 3 SAR Area K9 teams, and IST support for an operational period on Tuesday, 10/30/18, with a 0700 briefing at the ICP. Amador, Calaveras, Nevada, Placer, Sacramento, and Tuolumne County Sheriff's accepted the mission and fulfilled ACSO's request. **Update:** 10/30/18, 0905 hours, ACSO requested 40 Type1 or Type-2 SAR ground searchers, 4 SAR Area K9 teams, IST support team, and an aircraft capable of night operations with infrared and downlink capabilities as there were no local or county helicopters with that capability for night operations. This resource request is for operational periods 10/31/18 and 11/01/18 with 0700 hour briefing at Turtlerock Park, 17300 Hwy 89, Markleeville. LDO made the night operation aircraft request to CNG for the RC26 and its platform. CNG advised it was not available but a UAS (MQ9) had the same capability and was available. At 1035 hours, LDO made the request with CNG via the Air Force Rescue Coordination Center (AFRCC) for the MQ9 and IAA support team. **Update:** 10/30/18, 1703 hours, AFRCC and the USNORTHCOM Commander sanctioned the mission #18M-0827A. CNG IAA was on station with ACSO IC and the MQ9 scheduled to arrive on station at 2000 hours, 10/30/18. **Update:** 10/30/18, 1902 hours, Alameda, Contra Costa, Marin, Monterey, Sacramento, and San Mateo County Sheriff's Offices accepted the mission and fulfilled ACSO's request. Cal OES LEB coordinated the response of 6 SAR Area K9 teams. **Update:** 10/31/18, 1045 hours, ACSO is requesting to continue with an additional 3-day deployment, 11/01/18-11/03/18, for a CNG hoist capable helicopter to be used for inserting SAR ground searchers and searching by air and continuing use of the 25 nanos and technician for support. **Update:** 10/31/18, 1428 hours, CNG accepted the mission and will fulfill ACSO's request. ACSO's IC is also requesting to continue the MQ9 missions with IAA support. **Update:** 10/31/18, 1511 hours, ACSO requested an airborne communication relay from Civil Air Patrol (CAP). The request is for day operational periods beginning 11/01/18 through 11/04/18. LDO made the request through AFRCC. At 1715 hours, AFRCC accepted the mission and placed it under their current mission as the MQ9/IAA request, #18M-0827A. A CAP IC, Mark Sobel, was identified. ACSO was advised. **Update:** 10/31/18, 1827 hours, Fresno, Kern, and Mono County Sheriff's Office were additional counties, which accepted the mission and fulfilled ACSO's request. Cal OES LEB coordinated the response of 4 SAR Area K9 teams. **Update:** 11/01/18, 2100 hours, Search resource requests for Region 1, 1-A, and 6 were initiated at 1130 hours, for operation periods on Saturday 11/03/18 and Sunday 11/04/18. Santa Barbara SO, Placer SO, LASD, Orange SO, San Diego SO, Mono SO, Inyo SO, Imperial SO, and San Luis Obispo SO are coordinating a response for ground personnel. CA Air National Guard (CANG) deploying two helicopters and Pararescue crews (Moffett Field); CNG deploying one helicopter (Mather Field) for both days. **Update** 11/3/18, 0700 hours, [Cal OES Law Enforcement Branch AC](#) deployed to Alpine Co ICP. Los Angeles Sheriff, San Diego Sheriff, Santa Barbara Sheriff, Placer Sheriff, Kern Sheriff, Contra Costa Sheriff, and San Mateo Sheriff (BAMRU) have deployed personnel to the ICP for the Saturday 11/03/18 and Sunday 11/04/18 ops periods. **Mission Ongoing.**

Cal OES MISSION TASKING

Cal OES Missions

- **2018-Cal OES-51904:** 2018 July Statewide Wildfires – CNG to provide 55 SHOUT NANO devices, 1 laptop computer, transportation, and required training in support of debris removal operations in the Carr Fire burn area. (On Scene)
- **2018-IREOC-49869:** 2018 July Statewide Wildfires - Debris Management Task Force for Shasta County. (Coordinating)
- **2018-IREOC-48515:** 2018-07-05-Klamathon Wildfire - Air monitors in Siskiyou County due to the Klamathon Fire. (On Scene)
- **2018-CREOC-48046:** 2018-06-23-Lake-Wildland Fire - DTSC to clear debris from Pawnee Fire. (Coordinating)
- **2018-IREOC-45244:** Daily Operations - Caltrans to remove dead and dying trees along highways in Kern, Tulare, Fresno, Madera, Mariposa, Tuolumne, Calaveras, Butte, Plumas, Sierra, Shasta, and Lassen counties. (On Scene - Long-term assignment)
- **2017-SOC-44098:** 2017 December Wildfires - CalRecycle Debris Management Team in Ventura County. (On Scene)
- **2017-Inland-42559:** Daily Operations - Weather station installed to gather real time rainfall data by Air Resources Control Board (ARB). Mission extended through 05/30/19. (On Scene)

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
